- It is the responsibility of winners to post the result of matches on the competition draw sheet. The Match Committee will allocate the tee time for their next matches.
- A competition fee for qualifying and match play rounds will be set by the Match Committee.
- The use of a mobile phone or portable phone by a competitor or caddie, whilst on the course during an event, is distracting and inconsiderate. If the phone rings it is deemed to be in use and the Match Committee may take disciplinary action against the offending player in accordance with the concluding paragraph of Section I *Etiquette; Behavior on the Course of the Rules of Golf*. If a mobile phone incorporates a distance-measuring device, it may be used provided the device does not have the facility to measure other conditions that might affect play (e.g. gradient, wind speed, temperature).
- For finals, a referee will be appointed by the Match Committee.
- By reading these competition rules, competitors are deemed to have accepted them—unless they submit in writing, to the Match Committee, their disagreement with any rule in sufficient time before the start of the competition to enable a decision on the dispute to be gazetted.

FIXTURES

The fixtures for Men and Women Members (both Midweek and Weekend) are consolidated and presented in a week-to-a-page diary on pages 22–74. As noted on page 2, entries are distinguished as follows:

Men's events

Mixed and Medley events

Women's events

Calendars for 2018 and 2019 are provided on page 21.

PLAYING POLICY—for the safety and enjoyment of all Members **General**

- Appropriate golfing attire on the course and neat casual attire in the clubhouse are the minimum dress requirements.
- It is the responsibility of every player to have an adequate knowledge of the *Rules of Golf* (copies available from the office) and to observe club etiquette.
- Local Rules are printed on the back of the scorecard. Temporary local rules are displayed on the notice board alongside the entrance to the Pro Shop.
- If unable to play at the booked tee time, members are required to cancel as early as possible – via the on-line facility or the kiosks in the clubhouse prior to the day of play, or with the Pro Shop on the day of play. Repeat cancellations/no shows may lead to loss of booking privileges
- On holes identified as call-up holes, players must ‘call up’ and use safety screens.
- Competitors in Club Championships have priority on the course.
- It is the players’ responsibility to determine if weather conditions are unsafe for play. No siren will be sounded.
- At all times, members are bound by publicised changes to this Playing Policy.

The Spirit of the Game

Golf is mostly played without a referee so it relies on the individual player to show consideration for other players, and to abide by the *Rules of Golf* and Northbridge Golf Club rules.

Players should show discipline, courtesy and sportsmanship in the spirit of the game of golf irrespective of how competitive they may be.

Safety

Players must not play their ball until all players ahead are out of range. Greens staff have the right-of-way at all times. Players must wait until ‘called on’ before hitting near greens staff (and other players).

If a ball is heading towards another player, a loud warning shout of ‘fore’ should be made.

Courtesy

A player should not distract another player on the course by:

- moving, talking or making unnecessary noise;
- using non-golfing electronic devices;
- standing close or directly behind the ball to be hit;
- or directly behind the hole as a player is about to play.

On the green, players should not stand on another player’s line or cast a shadow over the line of the putt.

Pace of Play

Players must play at a reasonable pace. The Match Committee has established the following guidelines:

- Players must report to the Pro Shop and be ready to play at least 10

minutes before their scheduled tee time.

- It is a group's responsibility to keep up with the group ahead. If it loses a full hole and is delaying the group behind, it should invite that group to 'play through'.
- Players should be ready to play as soon as it is their turn. At the green, bags and carts should be positioned to enable quickest movement to the next tee. Players should leave the green immediately the hole has been completed, marking their scorecards at the next tee while others are hitting off.
- Players who think their ball may be lost or out of bounds should declare and play a 'provisional' ball. If it is apparent that a ball will not be found quickly, the group behind should be invited to 'play through' – BEFORE starting the search (for a maximum of 5 minutes).
- The lowest marker in a group is responsible for maintaining the pace of play.
- At Northbridge, the time allowed to complete 18 holes is 4 hours and 10 minutes; or, if over that time, within 12 minutes of the group ahead finishing.

Penalties for Slow Play

The policy for dealing with slow play is:

- First offence – offender will be warned in writing and advised of the consequences of further offences.
- Second offence (within three months of first) – offender will be relegated to the end of the field for a two-week period.
- Third offence (within three months of first) – offender will lose booking rights for a two-week period.

Care of the Course

- Players must smooth out all holes and footprints made in bunkers before leaving them.
- Players must repair divots made by them on fairways and pitch marks made by them on greens.
- Players should, where practical, wheel their pull buggies across the green.
- Players must obey all directions in the use of motorised golf carts and bikes, particularly in wet conditions. The use of such vehicles on the course is a privilege which will be withdrawn if misused

CONDITIONS OF PLAY IN MENS COMPETITIONS

It is important for members to be familiar with the conditions of entry and play for any event in which they intend to compete.

Starting Times In all events under the control of this Club, play shall not commence before the first scheduled tee-off time.

Checking In Competitors must report to the Starter at least **ten minutes** prior to their starting time. Players arriving late but within five minutes of their starting time will be penalised two strokes in stroke play or the first hole in match play. (Rule 6-3a *Time of Starting of the Rules of Golf.*)

Booking Sheets for weekend play are available on the Wednesday of the previous week—from 5.45 am at the kiosks in the clubhouse, from 6.00 am

on-line via the Club's website. Members should book early and may book in only one group.

Cancellations Members must give at least two hours notice if cancelling their booking. The Match Committee may penalise members who fail to do so.

Fixtures The type of competition set down for any particular day may be altered by the Match Committee without notice, but, where possible, due notice shall be given.

Eligibility To compete in club events, members must be financial and maintain a handicap (see also *Membership Categories* on page 4). The Match Committee may, at its discretion, arrange 'allotted' handicaps for Special Events for those members whose handicaps may have lapsed. Players' handicaps may be reduced during play of competitions over more than one round.

Members of the PGA are not eligible to compete in Club Championships and other Major Events. When playing in Club competitions they are eligible to win NET prizes only.

Entries Fields for 'Major Trophy' events may, at the discretion of the Match Committee, be 'drawn' or varied.

Order of Play All competitions must start from the 1st tee unless otherwise directed by the Match Committee (penalty: disqualification). Non-Competition players (except those returning cards for handicapping purposes) should not commence play until all competition players have hit off.

Markers Competition Cards must be marked by a fellow-competitor unless special circumstances warrant the appointment by the Match Committee of a 'Marker'. (Competitors should avoid consistent marking of their cards by the same fellow-competitor.)

Returning Cards All cards should be returned even though a player has incurred disqualification or has failed to complete the round.

Handicaps In all events (including those played over more than one round), the current handicap on the day of play shall be used, unless otherwise determined by the Match Committee.

Visitors Visitors are eligible to compete in only such programmed events as are indicated. For competition purposes, a visitor must be a financial member of a recognised golf club affiliated with the NSW Golf Association or similar interstate or overseas association affiliated with the controlling authoritative body.

Open Events Entry forms for open events at other courses shall be

exhibited on the notice board by the Match Committee or General Manager. Members are advised to avail themselves of opportunities to play in events promoted by other affiliated clubs for which entry is invited.

House Rules Members shall acquaint themselves with the House Rules, which include all matters pertaining to the Bar, Locker Rooms, etc, and should watch the notice board for any changes.

BLACK TEE MARKERS

Members aged 65 or over and with a handicap of 25 or more may elect to use the black tee markers that are provided on some holes, but they are then deemed to be playing their second shot from the tee. Furthermore, they are not eligible to win Blue Marker or Tiger Tuesday events, Monthly Medals, Club Championships or Men's Major Events listed in this Handbook.

GRADES

The current breakdown of grades is:

A Grade Up to 13.4 (A Reserve 8.5 to 13.4 for Club Championships only)

B Grade 13.5 to 20.4

C Grade 20.5 to 36.4

NOTE: Golf Australia (GA) handicaps are used, not daily handicaps

MENS HANDICAPS

Establishing To obtain an Australian Men's Handicap, a player must submit three cards properly signed by a player with a current Golf Australia handicap. All cards submitted to be marked 'For Handicap'. Any score of more than 3 over par at any hole will be treated as 3 over par.

New members who hold a current Golf Australia handicap from an affiliated Club will be given a handicap immediately. In such cases, the member must advise which Club is to be his Home Club (i.e. the Club responsible for administering his handicap).

The maximum (exact) Australian Men's Handicap is 36.4 (i.e. a playing handicap of 36).

Maintaining A player must report in writing (or by returning the cards) to his Home Club, all competition-round scores returned by him at other clubs, including clubs of which he is also a member. This is not necessary if both clubs are on *GOLFLink*.

Please use your *GOLFLink* card when playing at other clubs.

Further information regarding handicapping can be found at: www.golfaustralia.org.au > Rules & Handicapping > Handicapping & Course Rating.

MIDWEEK WOMENS SPECIAL NOTICES

The Ladies Committee reserves the right to vary the Programme.

The Ladies Match Committee's decision in all competitions will be final.

Dress Rules Members should wear clothing that is in keeping with that designed as golf wear. As a guide, an acceptable style of clothing is as stocked by the Club Professional. Members are not permitted to wear denim jeans/skirts/shorts, tank tops or track suits. Clothing should not be brief or exaggerated in style nor display advertising other than that which is appropriate to golf. Within the clubhouse, clothing should be appropriate to the occasion. A high standard of dress is expected at all times.

Bookings All Stroke rounds, the six Season's Stableford, Championships and major events (as described on the following pages) will be DRAWN games. Entry to these events can be made on the sheets in the locker room. Once the timesheets are available on line, names can be added or removed up to the night before play. Entries for all other games may be made on line

Cancellations The starter must be advised (phone 9958 7517) before 8.00 am of any cancellations for that day's play. If it is a Team game, fellow-competitors must also be notified.

Handicaps To obtain an initial handicap, three cards must be submitted to the Women's Handicap Manager properly signed by a player with a current Golf Australia handicap. Changes to a player's handicap are calculated in Golfink when results are entered from a competition.

Further information regarding handicapping can be found at: www.golfaustralia.org.au > Rules & Handicapping > Handicapping & Course Rating.

Competition Fees Each member must pay the entry fee before commencing play (penalty: disqualification). Competitions close 10 minutes after the last players enter the Clubhouse.

All cards must be placed in competition boxes promptly.

Rules Every member should acquire a proper knowledge of the Rules of Golf and also Local Rules. Simple breaches can incur disqualification. Members who have problems relating to rule interpretations are invited to discuss them with the Captain.

New Members As soon as an applicant is elected to membership it is the duty of her proposer and seconder to ensure that she is introduced to other Members. The new member should be advised of all the pertinent rules governing the conduct of the Club and, above all, should be sufficiently advanced in the knowledge of the 'Rules of Golf' to be competent to perform the duty of 'marker' to a fellow-competitor. The proposer or seconder should play with their nominee until she is so equipped.

Match Play Dates and Fees

Play-on dates – matches must be played on that date.

Play-by dates – matches may be played prior to that date but must be completed by that date.

Matches incur a ½ price green fee payable at the Pro Shop. This does not include the 1st round of the Victory Singles or the Consolation Singles where the full green fee is applicable.

Black Tee Markers Members aged 65 or over or with a handicap of 29.1 or more are eligible to use the black tee markers. Black tee markers cannot be used in Stroke Rounds, Club Championships, Moser Bowl or Bowen Trophy, the Fourball Knockout, Foursomes Championships, Victory Singles or on Visitors Days.
