Welcome to Northbridge Golf Club

Northbridge Golf Club is home to a lush bushland course located within Sydney's Northbridge Park. It is an historic golf club established in 1935 with many unique features including a large number of original sandstone block retaining walls.

Our 18 hole golf course is only 10 minutes from the Sydney CBD. Overlooking beautiful Middle Harbour, it offers amazing harbour views, lush fairways, excellent greens and abundant bird life.

The course has benefitted from major improvement work in recent years, with major investment meaning visitors should find it in much better condition today than at any time in its history. There are many memorable holes and the layout promises a fair and invigorating challenge for players of all abilities.

Social golf and corporate golf days are very popular. We are ideally equipped to host any type of golf day, with our professional club staff and superb caterers handling all details to ensure the day is memorable. The club can boast 30 golf carts which have been found to be very useful for corporate days.

The well-appointed clubhouse also makes an excellent venue for weddings, parties, business meetings and special occasions of any kind. Delicious food can be enjoyed in the clubhouse Restaurant. Come and enjoy a truly special golfing experience at Northbridge, a warm welcome awaits.

The Course

A round of golf at Northbridge is never a good walk spoiled. Quite the opposite in fact. On the shores of Sydney's famous harbour, the heritage-listed Northbridge Park in which the club is situated is an important nature preserve offering wonderful views out over Middle Harbour.

Magnificent walls, built with stone quarried on site, feature throughout the course. The course may be shorter than most 18-hole layouts, but is none the poorer because of it, trading distance for tight driving lines and small greens. A collection of excellent par-3s demand accuracy, careful club selection and distance control.

The layout measures 4,223 metres from men's tees, playing to a par of 64. With no fewer than nine par-3s, there is no shortage of choice for nearest the pin competitions. There are other benefits, too: your round should take less time, freeing up more time to spend in the clubhouse with your friends or doing other things.

Note too, that Northbridge is no pushover, with both the men's (65) and women's (67) ACR being higher than the par of 64.

The course utilises its natural foreshore terrain to the full. It is easy to be distracted by the picturesque surroundings, but keep your focus if you don't want your scorecard to suffer.

Steep runoffs and heavily wooded areas around the greens will penalise the errant approach, so accuracy with your short irons is a must.

Those who can hit straight are rewarded, as are those who can strategically plot their way round a golf course choosing the right club for each occasion rather than those who stand on the tee and automatically reach for their driver on anything other than a par 3. In short: brain wins over brawn at Northbridge.

At one time the course had a somewhat unfair reputation among Sydney's golfing fraternity and, certainly today, that could not be further from the truth. A considerable amount of time and money have been invested in improving the golfing experience at Northbridge in recent years, such as the new 1st, 2nd, 3rd and 4th holes and the construction of new dams to supply water for the course.

New concrete and granite pathways and accompanying turfing to blend them into the surroundings have also made a huge difference. Not only do they improve the aesthetics, creating a better looking and smoother journey around the course, it also greatly aids in the reduction of wear on the turf and the golf carts.

The club's hard-working ground staff are also committed to the removal of nutgrass, kikuyu and blue couch from the greens, providing a smoother, even higher quality putting surface.

It is their aim – as it is everyone at the club – to provide members and visitors with the best possible playing surface and a memorable day of golfing.

Becoming a Member

Northbridge has an extensive choice of membership categories to ensure that the majority of golfers are catered for.

In short, whatever your age, if you love your golf and are looking to make new friends on and off the course, then you have come to the right place.

The club has much to recommend it: the picturesque golf course, well-appointed clubhouse and, most importantly, the friendly and social atmosphere.

We want you to become part of the golfing family here at Northbridge and for that reason have structured a host of popular membership options.

Traditional seven-day golf memberships are by far the most popular, giving unlimited access to the magnificent 18-hole golf course and a host of competitive playing opportunities. Members can also chart their continual improvement by gaining a Golf Australia handicap, recognised at golf clubs worldwide and make their bookings either in person in the Pro Shop, by phone, or online.

Northbridge is a genuinely 'Family-Friendly' club and we offer a vastly discounted membership rate to junior golfers aged under 18. Memberships fees, rights and access are the same for both women and men.

We are a very social club and members can enjoy a drink, savour the special club atmosphere and enjoy the magnificent harbour views throughout the week or at weekends.

Perhaps you are a lapsed golfer, perhaps you are a retired golfer, or perhaps you have never played golf at all. No matter! You don't need to know the difference between a high fade and a hybrid, just the desire for good company in relaxed and comfortable surroundings and who doesn't want that!

A very reasonably-priced Clubhouse/Social Membership is available to those not wishing to play golf.

Members' Golf

If you like competitive golf, Northbridge is a great choice of club. The club can offer pennant play for men, women, seniors and juniors, together with a host of honour board competitions and more relaxed social golfing events.

The men field a seven-man team in the Metropolitan Major Pennants, which runs annually from February to April featuring home and away singles matchplay competition against other Sydney Metropolitan golf clubs who are members of Golf NSW. Clubs are split into divisions, with promotion and relegation at the end of the season. The top clubs advance to the knockout rounds, with semi-finals and a final, the winner of which proudly gets to take the pennant back to their home club.

You don't have to be a scratch golfer to enjoy interclub competition, however. Northbridge also has men's teams in both the Warren and Gibson Trophy competitions, for golfers with handicaps no lower than 13 and 20 respectively.

And don't think age is a barrier to enjoying good golf. For men aged 50 and over there is the Masters Pennant, which follows the traditional pennants format outlined above, though with eight players comprising a team.

Mixed golf is generally a fun social event, but this has its serious side too, with a team entered in the Mixed Pennant.

The Ladies also enjoy pennant competition, again giving the opportunity for members to experience the thrill of representing Northbridge in the heat of interclub competition but in a team environment.

Our weekend ladies enjoy a number of interclub matches throughout the season.

Golf is available every day for those who are keen for a hit. A typical competition week at Northbridge looks something like this:

Tuesday: **Open Medley**

Wednesday: **Ladies**

Thursday: **Open Medley**

Saturday: **Members' Medley**

Sunday: **Members' Medley**

The men's event is sub-divided into three grades dependent on handicap. The format sees the best eight golfers over a 36-hole strokeplay competition then playing knockout matchplay to determine the overall champion.

The ladies competition follows a similar format, while the seniors and juniors are spared the additional rigours of matchplay!

Whether your favourite format is singles or pairs, strokeplay or matchplay, a one-day event to find the winner or a knockout competition running throughout the season you will find something to appeal at Northbridge. You do not need necessarily to be a scratch golfer, with a good selection of competitions run against handicap, meaning that everyone has a chance to get their hands on some silverware.

It's not all about winning, however. There are also plenty of opportunities for social golf for those who just want to get together and enjoy the course and the company of friends and family.

As well as the regular weekly events there are a host of honour board competitions to be fought for, some carrying an accompanying trophy, with perhaps the most prestigious in each section being the respective club championship.

Take the annual Parent-and-Son/Daughter twoball betterball event, for instance, where proud Northbridge parents and their offspring can enjoy some quality time together doing what they enjoy best - playing golf.

An eagerly anticipated day in the ladies' diary is the annual President's v Captain's day. Although finishing on the winning team is nice, it is not as important as enjoying the day as this is very much a relaxed and casual event with prizes often being awarded for the best turned-out competitors.

Northbridge members are proud of their course and use every opportunity to showcase it to friends and guests who may not have enjoyed its charm before. One of the ways the club is able to do this is by hosting a number of informal golfing events throughout the season such as the Annual Mixed Invitation, where lady members are partnered by a male guest and a Visitors Day, which always raises a good amount for charity.

There are also more serious Open events as well, such as The Northbridge Cup, open to members with a handicap of no greater than 18 and visitors with a maximum handicap of 12.

Juniors

Northbridge is a great supporter of junior golf. It is not just a question of tolerating our younger players, we value what they contribute to the club and appreciate that if nurtured and given support, they are the potential core membership of the future.

For their part, juniors can learn so much from golf. As well as being a hugely enjoyable (and at times, hugely frustrating!) sport, it teaches so many life skills such as common courtesy, good manners and playing by rules.

The club has made junior membership fees extremely attractive, equating to no more than a few dollars a week for the under-18s. Significantly reduced membership fees are also available to our Junior Intermediate and Senior Intermediate members aged 18 to 23 and 24 to 30 respectively.

Each year we field a team in the Encourage Shield and Junior Pennant, an annual handicap matchplay competition for teams of young members of golf clubs in the Sydney Metropolitan region. The club also enters a team in junior scratch pennant competition, Eric Apperly Shield.

The objective of the Encourage Shield is to provide young golfers with the opportunity to test their skills and learn matchplay competition in an environment that is fun, supportive and free of undue interference. It gives the youngsters valuable experience of competitive golf and is a perfect stepping stone to the adult pennant teams.

The club holds frequent junior golf clinics for all levels of player aimed at improving their technique and enjoyment of the game.

For details of the latest clinic, visit the club website, or phone the Pro Shop on (02) 9958 6900.

Visitors and Social Golf

Northbridge welcomes visitors to come and enjoy the thrill of playing our stunning golf course which sits majestically overlooking Middle Harbour.

Tee times are available seven days a week. Saturdays and Sundays are our main competition days for our members, however social play is available. It is advisable to book a tee time as we are quite busy and visitor tee-times tend to be limited, particularly in the morning.

It is worth noting that we often have great rates on weekdays, such as great deals on nine holes or for 18 holes for two players including a motorized cart. Check the website, www.northbridgegolfclub.com.au, for details of current offers. There are also specials such as a low rate for as much golf as you can play after 4pm (2pm in non-daylight savings time) which represents fantastic value especially during daylight saving.

We welcome visitors to our Tuesday and Thursday morning open competitions (participants must have a recognised handicap to enter). Bookings open one week prior to the competition and must be made through the Pro Shop.

Social golf is a great way to spend a morning or an afternoon. Get a group of friends together and savour some quality golf overlooking Middle Harbour and some pretty special food and drink in the clubhouse afterwards. We have sets of clubs available for hire if you don't have your own.

Bookings are accepted up to 12 months in advance for groups of more than 16 players and bigger groups are welcome to inquire about special rates.

If you are visiting us for the first time please remember that the club has a dress code. If you respect this and standard golfing etiquette such as maintaining a good pace of play you will always be most welcome.

Carts and pull buggies are available to hire for those wishing to save their energy for their golf.

Please call (02) 9958 7517 to enquire about course availability and to reserve a tee time.

Clubhouse and Catering

Whether you are a member, a casual golfer or a visitor in search of refreshment, one thing's for sure: a warm welcome awaits in our well-appointed clubhouse at Northbridge.

Enjoy a morning coffee before your game to get you in the mood and come back for a drink and a bite to eat with your friends afterwards as you scour your diaries for the first available date when you can all get back for another game.

Even if your scorecard is not shaping up quite as you had hoped all is not lost, because the clubhouse experience at Northbridge is on a par with the wonderful golfing experience.

The club's Restaurant is open for lunch from noon 7 days a week. We regularly change our menu using the freshest available ingredients and offer a bar snack menu featuring golfers' favourites such as delicious burgers.

The club also offers a Friday night dinner menu from 6pm which comes highly recommended. Latest menus can be viewed and downloaded on our website.

Social Activities

Become a member at Northbridge Golf Club and you not only get the chance to play a spectacular golf course as often as you like but are also able to enjoy a pretty lively social scene.

The club's members are a very friendly bunch and like nothing more than to spend time in each other's company. And if you subscribe to the belief that golf at this level is about enjoyment and having fun, then you have come to the right place!

Northbridge members have an active social calendar, with many events held throughout the year. One of the highlights comes on Melbourne Cup Day in early November, where the clubhouse is packed with members and visitors – many of whom have played 18 holes in the morning – enjoying a magnificent lunch in the colourful, carnival atmosphere before watching the great race.

Watching the final round of The Masters together is also becoming something of a club tradition. Members gather to watch the action and enjoy a hearty breakfast before going out to play for their very own Green Jacket!

The ladies enjoy a Christmas Ambrose event which is not only hugely enjoyable, but very colourful as well with angels, elves, reindeer and many more festive characters often to be found on the course enjoying champagne, lollies, mince pies and plenty of laughs. Once the golf is finished, it's back to the clubhouse for more festive fun, lunch and lots of presents.
